**CHAMBERS OF  
REBECCA R. PALLMEYER**

October 26, 2022

Dear Dirksen Courthouse:

COVID is still with us: One individual who was last in the courthouse on October 25, 2022, has tested positive for COVID-19. This individual was on the 3rd and 5th floors. Individuals who had contact with this person have been notified.

We are lifting some of our restrictions – but it's still important for everyone to stay vigilant. If you haven't done so already and you're eligible, get a booster. The vaccines are still critically important. Wash your hands. Stay home if you have any symptoms and be cautious about public gatherings; consider testing before you have contact with vulnerable people. Thanks for all you are doing to stay healthy.

Yours truly,
