### **Closing of West Sidewalk on State Street from Adams to Quincy Court**

Chicago, Ill. – Late on March 8, 2023, the Court was advised that due to life safety concerns, the General Services Administration (GSA) is required to close the west sidewalk on State Street from Adams to Quincy Court. The Court was advised that this emergency closure is due to significant structural failures at the 208-212 South State Street property—failures that the GSA recently documented during their ongoing condition assessment of the four properties located at 202-220 South State Street.

Chief Judge Rebecca R. Pallmeyer stated, “The safety of the public is of utmost importance to me. I have requested that the GSA keep me informed of their ongoing assessment of the property.”
