Dear potential juror:

You have been summoned as a potential juror in the case of *United States v. William Jarding*. Mr. Jarding is charged with a crime, specifically, he is charged with having conspired to receive, possess and transfer stolen ammunition, as well as other related offenses. Mr. Jarding denies that he is guilty of the charge. Mr. Jarding is presumed innocent, and before he can be convicted, the government must prove him guilty beyond a reasonable doubt.

In order to streamline the process of jury selection, the court has prepared the attached questionnaire. Please take a few moments to complete it. Although we have not given you a great deal of space for your answers, please do your best to write legibly so that I and the lawyers in the case can read your answers. Because your answers may assist me and the lawyers in the process of jury selection, it is very important that you be truthful and accurate in answering the questions. When you come to the courtroom, we may ask you some additional questions.

At the conclusion of the jury selection process, all of the questionnaires will be returned to the Court, and they will not be made part of the public record in the case.

Thank you for your time and for your service today.

Sincerely,

Matthew F. Kennelly
United States District Judge
