

This case has been reassigned to the calendar of District Judge Thomas M. Durkin. The joint status report referenced in the court's order shall not exceed three pages single-spaced. The status report shall provide the following information in this format:

1. Nature of the Case

- A. Attorneys of record for each party.
- B. Basis for federal jurisdiction.
- C. Nature of the claim(s) and any counterclaims(s), including relief sought.

2. Proceedings to Date and Discovery

- A. Summary of discovery that has been taken and remains to be taken.
- B. Depositions - approximate number taken and estimated number still to be taken.
- C. Discovery cut-off date, and whether that date will be met. If no discovery cut-off date has been set, please suggest one.

3. Pending motions

- A. Description of all pending motions, and any briefing schedule set.
- B. Summary of all substantive rulings that have been entered.

4. Trial

- A. Whether there has been a jury demand.
- B. Whether a trial date has been set; if not, the earliest date the parties anticipate being able to commence trial.
- C. Whether a final pretrial order has been filed; if not, whether there is a deadline for filing a final pretrial order.
- D. Estimated length of trial.

5. Referrals and Settlement

- A. The assigned magistrate judge and whether the parties have discussed consenting to having the magistrate judge conduct all further proceedings in the case, including trial.
- B. Whether any settlement discussions have occurred, the status of any such

settlement discussions, and whether referral to the magistrate judge for assistance in settlement would be helpful.

C. Whether the parties would like a settlement conference before this Court.

6. Other Information.

A. Any other information that the parties believe is pertinent to the Court's understanding of the status of the case.
