BRIEF DESCRIPTION OF MEDIATION STYLE (no more than 100 words):

My mediation style is somewhat "active," as opposed to a passive style, in that I will often provide my thoughts as to the merits of the case and suggest a value for the case. Sometimes, a novel settlement concept can be presented to the parties; sometimes, settlements can be presented as to minimize cash flow consequences for the Defendant and tax implications for the Plaintiff. Sometimes, I can simply present an objective evaluation of the facts and a value of the case.
