

Electronic Filing in the U.S. District Court Northern District of Illinois

Quick Reference

Revised 06/11

Preparing a Document for Electronic Filing

Document Size

Documents filed electronically are limited to 5 megabytes (MB) in size. This applies to each individual component of an electronic filing, not to the entire filing. For example, if you are filing a motion with several exhibits, the motion and each exhibit can be up to 5 megabytes (MB) in size. File the motion as the main document with the exhibits included as attachments. **Label** each attachment.

We encourage you to combine exhibits into a single attachment as long as the combined exhibits do not exceed 5 megabytes in size. If you combine exhibits, be sure to label the attachment appropriately, e.g., Exhibits A through D.

Electronic Signatures

Electronically filed documents must include a signature block. The name of the filing user under whose login and password the document is submitted must be preceded by an “/s/” and typed in the space where the signature would otherwise appear.

Example: /s/Ted Newman

How do I register for a CM/ECF Account

CM/ECF accounts are provided to attorneys who have completed the District Court's training program, who are already registered as an e-filer in another district or bankruptcy court, or who have received training in e-filing from their firm, or are attorneys representing the United States in their official capacity. Do I need both a PACER account and a CM/ECF account to be an e-filer?

Yes, you need both a CM/ECF account and a PACER account. The PACER account gives you the ability to read case dockets and view electronic images of documents. Your CM/ECF account allows you to electronically file a document with the Court.

What is the difference between a PACER account and a CM/ECF Account?

You need **both** a CM/ECF account and a PACER account. The PACER account gives you the ability to read case dockets and view electronic images of documents. Your CM/ECF account allows you to electronically file a document with the Court.

How can I get a PACER account?

You may call the center toll free at 1-800-676-6856 or go to the PACER Service Center's website at <http://www.pacer.psc.uscourts.gov/register.html> and complete the online form.

My law firm has a single PACER account. Can I use that, or do I need my own PACER account?

You may use your firm's PACER Account.

What constitutes a page in CM/ECF for PACER billing purposes?

Billable pages are calculated in two ways in CM/ECF. PACER uses a formula to determine the number of pages for an HTML formatted report. Any information extracted from the CM/ECF database, such as the data used to create a docket sheet, is billed using a formula based on the number of bytes extracted. For a PDF document, the actual number of pages determines the number of billable pages. For report data retrieved from the CM/ECF system that is printed, the print job will not always match the number of pages billed. The number of pages printed is dependent on individual printer and browser settings. All users are charged equally for the same information regardless of the browser settings or printer configurations. A transaction receipt and the Review Billing History option are provided under Utilities for reviewing charges. Also, Review Transaction History is available on the PACER Service Center site in Account Information for reviewing transactions from all courts. The transactions are updated on the PACER Web Site by the middle of each month.

Can the general public view CM/ECF cases and the documents in those cases using the Internet?

The public can access case data in CM/ECF unless it has been sealed by the court. To have access to case dockets and electronic documents using the Internet, you must have an account in the Public Access to Electronic Court Records (PACER) system.

What are the rules and procedures regarding filing electronically?

Refer to General Order on Electronic Case Filing. [General Order on Electronic Case Filing](#)

Oops. I noticed that I made a mistake in the electronic filing. What do I do?

If you believe that you have made an e-filing error that needs to be corrected, contact the Help Desk at 312-582-8727.

How do I add a signature to a document I am filing electronically?

The requirements for signing a document that you are filing electronically are set out in Section X(A) of the General Order on Electronic Filing provides as follows:

“Electronically filed documents must include a signature block and must set forth the name, address, telephone number and the attorney's bar registration number, if applicable. In addition, the name of the e-filer under whose login and password the document is submitted must be preceded by an "s/" and typed in the space where the signature would otherwise appear.” [General Order on Electronic Case Filing](#)

Does a certificate of service need to be included with documents filed electronically?

The General Order on Electronic Filing requires that a certificate of service be included with all documents filed electronically when service is made to any party who is not an e-filer or is not represented by an e-filer. The certificate of service may be included with the main document being filed or linked as an attachment to the main document. If all parties are represented by e-filers, no certificate of service is required. [General Order on Electronic Case Filing](#)

How many times will I be able to view my case documents as an attorney of record?

If you are an attorney of record in a case, you will not be charged the first time you view a document. However, the next time you view the same document, you will be charged 8 cents per page, or up to \$2.40 per document. PACER will bill you after your account reaches \$10.00 in a calendar year. You have 14 days to view the document.

Can I combine a motion and a notice of motion in a single electronic filing?

No. The Motion and the notice of motion **must be filed separately**. In addition, the motion must be filed **before** the notice of motion.

What kind of notification does the attorney of record receive on a case?

All registered CM/ECF e-filers will receive an e-mail notification of all filings, which includes a hyperlink to the document. Participants who are not registered users must be mailed a copy of the filing by the attorney filing electronically.

An attorney in our office is out of town. He has asked us to file a motion for him in his absence, on behalf of his client. Can I file this document electronically?

On the motion itself, sign the document with your name, on behalf of the absent attorney, i.e., /s/ John Worker on behalf of John P. Vacationer. When you electronically file the motion in CM/ECF, you will see the following on your screen: “The following attorney/party associations do not exist for this case. Please check which associations should be created for this case: John Doe, (pty:pla) represented by John Worker (aty)”.

Do not check this box; doing so adds you as an attorney on the case. The docket text will read that the document was filed by Attorney John Worker on behalf of Susie Client.

Under no circumstances should this practice be used when filing an initial appearance.

Are there fees associated with e-filing?

There are no fees to file electronically. For viewing documents in cases, you get one free look at documents that are filed in cases in which you are an attorney of record. For each subsequent viewing, you will be required to log in to PACER and pay a fee of \$.08 per page, not to exceed \$2.40 per document. We strongly recommend that you print or save the document during the first viewing to avoid these charges.

Can I combine separate exhibits in a single attachment?

As long as the combined exhibits do not exceed 5 megabytes in size, we encourage you to combine them into a single attachment. If you do, be sure to label the attachment appropriately, e.g., Exhibits A through D.

How do I add counsel to a case?

To add counsel in a case, electronically file an attorney appearance.

Do I have to file a paper copy of a document that I have filed electronically?

Yes, Local Rule 5.2(e) provides as follows: “Where a filing is made electronically of a pleading, motion, or document other than an appearance form or return of service, a paper copy shall be provided for the judge within one business day, unless the judge determines that a paper copy is not required.” The paper copy of the electronic filing should be placed in the drop box reserved for that purpose, located on the south end of the 20th floor Clerk’s Office, unless the judge has directed that such copies be delivered directly to chambers. General Order 07-0023 V. (H) provides as follows: “To the extent local rule or an order of the court requires filing with the court or service on an opposing party by a specific time of day, the document must be filed or served by that time of day to be timely and a courtesy copy submitted to the court within one business day.” [General Order on Electronic Case Filing](#)

How large can my electronic filing be?

The General Order on Electronic Case Filing provides that an electronic filing should not exceed 5 megabytes in size. This applies to each individual component of an electronic filing, not to the entire filing. In other words, if you are filing a motion with several exhibits, the motion itself and each exhibit can each be up to 5 megabytes in size.

The exhibits I need to file with my main document are too large. What can I do?

Subdivide the exhibit, and identify each attachment appropriately, e.g., Exhibit A, Part 1, Exhibit A, Part 2.

When I click on the document link in my e-mail, it prompts me for a login and password.

1. In civil cases the first time you click on a document link in your e-mail the system should display the document without requiring a login. For each subsequent viewing, you will be required to log into PACER and pay a fee of \$.08 per page, not to exceed \$2.40 per document.
2. In criminal cases the first time you click on a document link in your e-mail the system requires you to enter your CM/ECF login and password. Next, you need to enter your PACER login and password. You will not be charged the first time you view a criminal document.
3. For Civil Social Security cases the first time you click on a document link in your email, the system requires you to enter your CM/ECF login and password. Next, enter your PACER login and password. You will not be charged the first time you view a document. If you do not have a PACER login and password, contact the PACER Service Center at 1-800- 676-6856 or the PACER Service Center's website at <http://www.pacer.psc.uscourts.gov/register.html>.

Another way to verify your filing is to view a copy of the case docket. If you do this, standard PACER fees will be charged.
