**BRIEF DESCRIPTION OF MEDIATION STYLE (no more than 100 words):**

I would consider myself to be a mediator without portfolio. Many years of  
assisting in the settlement of cases as a judge and mediator have taught me  
that each case is different and must be addressed on its own terms considering  
the lawyers involved and the parties. Mediation rules are static; however,  
the process of successful mediation requires that the mediator be adaptable.
