REENTRY SERVICES

Job Placement

We help clients with criminal records find work in Chicago and the Chicagoland area. We have employer partners who will hire people with criminal records. We will match you with an employer based on your skills and background.

Legal Clinic

We can help you apply for healthcare worker waivers and expunge or seal your record if you qualify. If you obtain a degree after leaving incarceration, your record may be eligible to be sealed early. If your last conviction was more than three years ago, you may be eligible for expungement or sealing.

Virtual Reality

Our two-week VR Program will train you to work in a factory or warehouse. This program is for clients who have little to no work experience, and it has a paid stipend.

Eligibility:
