

**UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF ILLINOIS  
AMENDED GENERAL ORDER 20-0001**

On January 15, 2020, General Order 20-001 was entered directing that a number of actions take place in case number 69 CV 2145, *Shakman, et al v. Cook Co Democratic, et al*. The order allowed 21 days from the date of the order for parties to file objections. Two objections were filed (docket #6698 and #6768).

The Executive Committee has reviewed these objections and therefore orders the following:

1. Objection #6768 is denied as moot, as the filer is not a party to the case. Objection #6698 was filed by a party to the case and has not been withdrawn. Pursuant to that objection, the case will be reassigned.
2. The Clerk of Court is directed to immediately use the random case assignment wheel and draw the name of a district judge to be assigned to case number 69 CV 2145 at the end of Magistrate Judge Schenkier's term of office.
3. The Clerk of Court is directed to immediately use a random case assignment system of available magistrate judges as identified in General Order 20-0001 to be designated as the magistrate judge in case number 69 CV 2145 at the end of Magistrate Judge Schenkier's term of office.
4. The Clerk of Court is directed to immediately make a docket entry and identify the district and magistrate judges who will be assigned case number 69 CV 2145 and notify those judicial officers at that time.
5. The Clerk of Court is directed to reassign case number 69 CV 2145 on May 1, 2020 to the newly assigned district judge and designated magistrate judge.
