

**The Honorable Franklin U. Valderrama**  
**219 S. Dearborn, Room 1278**  
**Chicago, IL 60604**

---

Judge Valderrama hires two law clerks for one-year terms, which may be extended for up to a second year, if mutually agreeable. One law clerk starts in November of each year and the other starts in May. Applicants must have at least two years of legal post-law school work experience and should highlight prior clerkship experience. Because Judge Valderrama does not have an administrative assistant, law clerks share in a few administrative responsibilities. Please use OSCAR as the sole means to apply. Please consult Judge Valderrama's OSCAR page for information about available clerkship positions and application deadlines.
