December 21, 2022

Dear Friends:

One individual has tested positive for COVID-19. This individual was last in the building on December 20, 2022, on the 2nd and 12th floors. Individuals who have had contact with this individual have been notified.

Like the rest of you, I am beyond tired of COVID, not to mention RSV, the flu, the common cold, and every other malady. Here's a fun resolution for all of us: If you are among the large group of Americans who have not gotten the latest COVID booster, please do that. Do it today and you will be at or near peak immunity when it's time to come back to work. Can you imagine a whole week without one of these letters? That would be something to celebrate!

Again, best wishes for the holidays and a very happy new year.

Yours truly,

Rebecca R. Pallmeyer
