March 22, 2022

Dear Courthouse Occupants:

One employee/contractor has tested positive for COVID-19. This individual was last in the Dirksen Courthouse on March 18, 2022 and was on the 20th floor. We understand the individual adhered to the masking and social distance requirements. Persons who had contact with them have been notified, and GSA has taken steps to clean the relevant spaces.

As you know, the COVID-19 numbers in Illinois are headed in the right direction. We will still have persons testing positive in our building, but we are making progress. Please do get a booster if you have not already done so. Continue to adhere to the other protocols, including masks, social distance, and hand-washing. Remember to stay home if you feel sick, let us know if you do test positive, and if you do, stay away for five full days or until you are better.

Yours truly,
