**CHAMBERS OF
REBECCA R. PALLMEYER**

April 28, 2022

Dear Courthouse Occupants:

One individual who was last in the Dirksen Courthouse on Wednesday, April 27, 2022, has tested positive for COVID-19. This individual was on the 20th and 23rd floors and adhered to the masking and social distance requirements. Other individuals who had contact with the person have been notified, and GSA will the relevant spaces.

The COVID numbers in Illinois are still relatively low, but experience in other parts of the nation suggest that may not last. We are all likely to be exposed to the virus at some point, so it's important, for now, to maintain wearing masks in public settings, social distancing, and frequent hand-washing. Those of you who are eligible should consider getting another booster, because the vaccines provide the most substantial protection against serious symptoms.

Stay as safe and healthy as you can.

Yours truly,

Rebecca R. Pallmeyer
Chief District Judge
Chair, Dirksen Courthouse Building Security
Committee
