Dear Courthouse Occupants:

Four individuals who were recently in the Dirksen Courthouse or the Kluczynski Federal Building have tested positive for COVID-19.

- The first individual was last in the Dirksen Courthouse on May 11, 2022, on the 3rd, 4th, and 25th floors.
- The second individual was last in the Courthouse on May 11, 2022 and was on the 2nd and 25th floors.
- The third individual was last in the Courthouse on May 13, 2022 and was on the 3rd, 5th, and 12th floors.
- The fourth individual was last in the JCK Building on May 12, 2022, on the 34th floor.

These individuals were masked when in contact with other persons. Individuals who had contact with these individuals have been notified, as has GSA. GSA will clean the relevant spaces.

As you can see, we are experiencing another rise in the COVID positivity numbers. Please err on the side of caution. We are maintaining our masking and social distancing policies, and we know you will remember to wash your hands frequently. Do get a booster when you can. Our free testing facility in the lobby makes it easy to track your status; do use it. With luck, the current spike will be a short one.

Yours truly,

Rebecca R. Pallmeyer  
Chief District Judge  
Chair, Dirksen Courthouse Building Security
