Dear Courthouse Occupants:

Two individuals have tested positive for COVID-19. The first individual was last in the Dirksen Courthouse on Thursday, April 28, 2022, and was on the 5th, 9th, and 20th floors. The second individual was last in the Dirksen Building on Friday, April 29, 2022 and was on the 8th floor. Both individuals adhered to the masking and social distance requirements. Other individuals who had contact with the person have been notified, and GSA will the relevant spaces.

I know we are all tired of this pandemic. We are doing our best to return to something that seems like “normalcy.” That’s good—but it means that we are all likely to be exposed to the virus at some point. Please do continue to do your best to control the spread by masks, social distancing, and hand-washing. Get a vaccine and a booster when you can. Keep smiling. We can see those smiles beneath the masks.

Yours truly,

Rebecca R. Pallmeyer
Chief District Judge
Chair, Dirksen Courthouse Building Security
