May 20, 2022

Dear Courthouse Occupants:

An individual who last in the Dirksen Courthouse on May 17, 2022 has tested positive for COVID-19. This individual was on the 8th floor and was masked when in contact with other persons. Those who had contact with this individual have been notified, as has GSA. GSA will clean the relevant spaces.

Remember that the testing facility in the lobby is open to the public and to all of us. We protect ourselves and one another with masks, social distance, handwashing, and especially vaccines and boosters. Regular testing is part of the plan as well. You could test positive even if you feel fine—and if that happens, you would stay away for a few days and protect yourself and everyone else.

Progress is slow, but it is progress. Have a great weekend, everyone.

Yours truly,

Rebecca R. Pallmeyer
Chief District Judge
Chair, Dirksen Courthouse Building Security
Committee
