June 29, 2022

Dear Courthouse and JCK Occupants:

One individual who was last in the JCK Building, in room 3400, on June 27, 2022, has tested positive for COVID-19. Two other persons were in the Dirksen Courthouse yesterday, June 8, 2022, on the 17th and 2nd floors, but left the building after receiving positive test results. We understand all three were masked when in contact with other persons. Individuals who had contact with this individual have been notified, as has GSA. GSA will clean the relevant spaces.

After Thursday of this week, we will no longer have universal access to SHIELD testing in our lobby. Please continue carefully monitoring yourself for symptoms. Stay home if you are not well, and do exercise caution with respect to your health and that of others. Best wishes.

Yours truly,
