REBECCA R. PALLMEYER**

June 2, 2022

Dear Courthouse Occupants:

Two persons who were last in the Dirksen Courthouse yesterday have tested positive for COVID-19. One individual was on the 2nd, the 18th, and the 20th floors; the other person was on the 16th, 26th, and 27th floors. Both persons were masked when in contact with others. Those who had contact with these individuals have been notified, as has GSA. GSA will clean the relevant spaces.

The testing facility in our lobby has been a benefit for the public and for all of us. Persons who get positive results, when they have no symptoms or only mild ones, can find out and quarantine, protecting everyone from infection. We continue to protect ourselves and one another with masks, social distance, handwashing, and especially vaccines and boosters. Regular testing is part of the plan as well.

Yours truly,

Rebecca R. Pallmeyer
Chief District Judge
Chair, Dirksen Courthouse Building Security
Committee
