Dear Roszkowski Courthouse Occupants:

An employee/contractor last in the Roszkowski Courthouse on October 28, 2022, has since tested positive for COVID-19. The individual was the 1st floor.

As you know, we are lifting some of our restrictions early in December. Whether that decision was a good one will depend, in part, on continued diligent efforts to combat this virus and other respiratory illnesses. If you haven't done so already and you're eligible, get your flu shot and a COVID-19 vaccine booster. The vaccines are still critically important. Wash your hands. Stay home if you have any symptoms and be cautious about public gatherings; consider testing before you have contact with vulnerable people. Thanks for all you are doing to stay healthy.

Yours truly,

Rebecca R. Pallmeyer
Chief District Judge
