February 1, 2022

Dear Courthouse Occupants:

Three employee/contractors recently in the Dirksen Courthouse have tested positive for COVID-19. Two were in the building yesterday, January 31, one on the 11th floor and another on the 5th floor. The third individual was here today (February 1), on the 10th, 12th, 15th, and 17th floors. We understand these individuals adhered to the masking and social distance requirements. Persons who had contact with them have been notified, and GSA has taken steps to clean the relevant spaces.

As a reminder:

Again, please do get vaccinated, get a booster, wear a mask, wash your hands, and keep your distance. And – it's not complicated! -- If you're sick, get tested, and if you test positive, stay away for five full days or until you are better.

Yours truly,
