Dear Courthouse Occupants:

One individual who was on the 15th floor of the Dirksen Courthouse most recently on January 27 has tested positive for COVID-19. This individual adhered to the masking and social distance requirements. Persons who had contact with this individual have been notified, and GSA has taken steps to clean the relevant space.

As a reminder: If you have symptoms, please go home, and get tested as soon as you can. If you test positive, whether or not you have symptoms, please comply with the quarantine policy and stay away for five full days or your symptoms subside, whichever is longer. If you test positive but feel well, you could work remotely during your quarantine period. But if you are not feeling well, you should take sick leave or COVID leave.

Again, please do get vaccinated, get a booster, wear a mask, wash your hands, and keep your distance. If you're sick, get tested and stay home.

Yours truly,
