CHAMBERS OF
REBECCA R. PALLMEYER
CHIEF JUDGE

312-435-5600

November 3, 2021

Dear friends in the Western Division:

Today I have learned that a visitor, last in the Rockford Courthouse on Monday, November 1, 2021, has tested positive for COVID-19. This individual used Elevator #2 and was on the 7th floor of the Courthouse. We are notifying persons who had direct contact with this individual, and the General Services Administration will promptly clean the impacted areas.

As a reminder: Most of us are vaccinated and have good protection against the virus. It is possible though, as you know, for persons who are vaccinated to nevertheless test positive and to become ill with COVID-19. The best information we have is that such an infection usually results from contact with an unvaccinated person. So please do stick with the program, adhering to the requirements of masks, social-distancing, and handwashing. And I again urge those of you who are not yet vaccinated to take that step, not only to protect yourself, but out of courtesy to those with whom you may come into contact.

Yours truly,
