May 27, 2022

Dear Dirksen Courthouse Occupants:

An individual who was last in the Dirksen Courthouse on May 25, 2022, has tested positive for COVID-19. This individual was on the 22nd floor, and we understand was wearing a face covering and maintaining appropriate distancing while in the building. Other persons who had direct contact with this individual have been notified, and the General Services Administration will clean the impacted areas.

As many Illinois counties are nearing the "high risk" status, we need to maintain our protocols. This weekend would be a good time to move your celebrations outdoors. As you all know, we are all likely to be exposed to the virus at some point, so it's important, for now, to maintain wearing masks in indoor social settings, social distancing, and frequent hand-washing. Get a booster if you can, and do your best to remain safe and healthy.

Yours truly,
