Dear Roszkowski Courthouse Occupants:

I am sending a corrected letter for today's COVID notice. An individual who was last in the Roszkowski Courthouse, on the first floor, on Friday, January 7, 2022, has tested positive for COVID-19. A second individual that worked throughout all floors of the Courthouse and was last in the building on Friday, January 7, 2022. Both individuals adhered to the masking and social distance requirements. Those who had contact with this person have been notified, and GSA has taken steps to clean the impacted spaces.

Again, Omicron is very contagious. It may be that we are near the end of the pandemic, but for now, we need to do our best to stay healthy. Please get tested if you have any symptoms, get a booster if you have not already done so, wear your mask, keep your distance, and wash your hands.

Thank you again. I am honored when I see our dedicated staff working hard to keep our court functioning effectively.

Yours truly,

A handwritten signature in black ink, appearing to read "Rebecca R. Pallmeyer", with a long horizontal flourish extending to the right.
