October 28, 2022

Dear Dirksen Courthouse:

Three individuals have tested positive for COVID-19. The first individual was last in the building on October 26, 2022 and was on the 9th floor. The second individual was last in the building on October 27, 2022 and was on the 10th and 25th floors. The third individual was last in the building on October 27, 2022 was on the 23rd and 25th floors

As you know, we are lifting some of our restrictions early in December. Whether that decision was a good one will depend, in part, on continued diligent efforts to combat this virus and other respiratory illnesses. If you haven't done so already and you're eligible, get your flu shot and a COVID-19 vaccine booster. The vaccines are still critically important. Wash your hands. Stay home if you have any symptoms and be cautious about public gatherings; consider testing before you have contact with vulnerable people. Thanks for all you are doing to stay healthy.

Yours truly,
