November 10, 2022

Dear Dirksen Courthouse:

One individual has tested positive for COVID-19. This individual was last in the building on November 7, 2022, and visited the 19th floor.

As you know, we are lifting some of our restrictions early in December. Whether that decision was a good one will depend, in part, on continued diligent efforts to combat this virus and other respiratory illnesses. If you haven't done so already and you're eligible, get your flu shot and a COVID-19 vaccine booster. The vaccines are still critically important. Wash your hands. Stay home if you have any symptoms and be cautious about public gatherings; consider testing before you have contact with vulnerable people. Thanks for all you are doing to stay healthy.

Yours truly,

A handwritten signature in black ink that reads "Rebecca R. Pallmeyer". The signature is written in a cursive style with a long, sweeping underline.
