**CHAMBERS OF  
REBECCA R. PALLMEYER**

May 5, 2022

Dear Roszkowski Courthouse Occupants:

An individual who was last in the Roszkowski Courthouse on May 4, 2022, has tested positive for COVID-19 and was in the basement, the 2nd, 3rd, and 5th floors. This individual was wearing a face covering and maintaining appropriate distancing while in the building. Other persons who had direct contact with this individual have been notified, and the General Services Administration will clean the impacted areas.

The COVID numbers in Illinois are still relatively low, but experience in other parts of the nation suggest that may not last. We are all likely to be exposed to the virus at some point, so it's important, for now, to maintain wearing masks in public settings, social distancing, and frequent hand-washing. Those of you who are eligible should consider getting another booster, because the vaccines provide the most substantial protection against serious symptoms.

Stay as safe and healthy as you can.

Yours truly,
